IEEE ACTIVITIES

REGIONS:

IEEE Region 8

SECTIONS/CHAPTERS:

IEEE Ukraine Section;

IEEE Ukraine IM/CIS Societies Joint Chapter.

STUDENT BRANCHES:

Member of IEEE Ternopil National Economic University Student Branch (since 2014);

CONFERENCES:

- International conference “Problems of decision making under uncertainties” (PDMU-2007);
- 7th and 8th IEEE International Conference on Intelligent Data Acquisition and Advanced Computing Systems: Technology and Applications (IDAACS) 2013, 2015;
- 3rd International Conference “Informatics and Computer Technique Problems”. (PICT – 2014);
- IEEE 35th International Conference on Electronics and Nanotechnology (ELNANO-2015).

OTHER:

IEEE Graduate Student Member (since 2014);

IEEE Women in Engineering Membership.

QUALIFICATIONS

Master degree in Computer Engineering, PhD Student, 10 scientific papers.

MAJOR ACCOMPLISHMENTS

Member of IEEE Ternopil National Economic University Student Branch and IEEE Ukraine IM/CIS Societies Joint Chapter.

POSITION STATEMENT

In my point of view the WIE AG is a young, diverse, relevant structure. It is necessary to provide opportunity for women of all scientific/technical professions to grow as leaders. Ukraine section must provide professionals with opportunity to explore new ideas and technologies working with engineers around the globe.

I would work to improve bringing added value to engineers, scientists, and computer scientists in all stages of careers (starting from graduation) and professions.
